

Julia Tsitsi Chigamba

Zimbabwean Dance

with Julia is a bridge between cultures, tribes, elders, youth, and ancestors, and seeks to introduce new cultural perspectives, strengthen positive aspects of heritage, and expand cultural imagination.

Julia Tsitsi Chigamba invites us to experience the true power of community through the context of traditional music and dance.

Julia's Collective, *Tawanda muChinyakare*, means "we are many, all in the deep tradition of the arts of our ancestors," in ChiShona, a native language of Zimbabwe.

The phrase speaks of a profound unity experienced through living in harmony with the deep traditions of our ancestors.
